

Larger pictures reveal the many opening drawers and pigeonholes in this beautiful Cabinet. The wheeled ladder even has a delicate carved handrail!

Real mirror, hand painted stained glass panels and a porcelain sink grace this superb bathroom unit!

The padded back reclines, the foot rest is adjustable and the whole chair swivels!

This double mirror fronted wardrobe opens to reveal a set of internal drawers which conceal a hidden seated compartment where one of 'madams' clients can hide if necessary!

This unusual circular padded leather seat is covered in delicate hand carving!

How can a tiny picture even begin to show the intricate carved detail and rich wood finish of our superb Tudor furniture such as the sensational scroll carving on this high chair!

Look at the lavish carving on this 4 poster bed with its incredible lattice ceiling!
