BRITISH 1/12 SCALE TUDOR FURNITURE!

These sensational 1/12 scale pieces are individually hand crafted by a leading British furniture maker. Made from seasoned Tulip wood they are hand waxed to give an authentic finish and will enhance any miniature house! All the pieces are also available in 1/24 scale

All this furniture is made for us exclusively by Masters Miniatures who have a far larger range covering many styles and periods than the tudor range we have pictured here. We will try to supply any of their miniatures at the same price you may find quoted on various sites on the internet and you can also take advantage of our extra discount system!

Go to their site for full details of all their fine handmade furniture at www.mastersminiatures.com
