

WHY DO OTHER DOLLS HOUSE KITS COST SO MUCH?

Think about it! - Wood... say £25.00, Windows... say £5.00 each, Fancy Door... say £10.00, hinges..., pins..., instructions... say £5.00, designing, cutting, packaging... whatever. Doesn't add up to much does it? So how can a dolls house kit cost so many hundreds of pounds? Next time you are looking to buy a kit work out the cost of the bits you are buying - it may surprise you! Compare our prices with other dolls house kits and you'll find our superbly designed, stylish kits are also very affordable without any compromise in quality!
